# GRADUATION GALA

GRADUATION CEREMONY  
NOVEMBER 17<sup>TH</sup>, 2023

## TODAY'S CEREMONY

The ceremony is expected to last approximately 2 hours. We kindly ask that you stay in your seat for the duration of the ceremony, silence phones, and keep noise to a minimum.

Each graduate will be called up on stage to be recognized and have a picture taken. Each graduate is expected to return to their seat after crossing the stage.

Following the ceremony there will be a light reception, where you will have the opportunity to socialize with your fellow graduates, faculty, family members and friends. Professional photos taken during the ceremony will be shared with you at a later date. The platform party will also be available for photos with family following the ceremony.

Please remember to celebrate this special day with us on social media by using the hashtag **#TFSGrad23**.

## ACADEMIC REGALIA

The wearing of academic regalia is a tradition that has persisted from the Middle Ages, derived from the monasteries and wearing of clerical robes, and continued in a new way as universities were founded.

For the mortarboard, the tassel is worn to left until graduation and is moved to the right during the ceremony. For photographs, the tassel should be worn on the right. Graduates are to wear the appropriate gown for the diploma being conferred at the convocation ceremony.
